Flash Networking Event

Specialties

Flash Networking Events are a fun, exciting and effective tool for creating viable referral partnerships from other local business professionals. This event is designed to increase your potential referral sources by meeting a variety of business minded people in one setting.

The flash networking begins as you rotate through three tables, sharing your business with 4- 8 people at each table. You have two minutes at each table to discuss your business. This is also an opportunity to share products and/or services and distribute business cards & marketing material. The event concludes with a breakfast and an open networking forum.
